## **Growth Hormone Therapy**

You pay 30% of the Prescription Drug Cost. Any combination of retail Network pharmacy and Home Delivery Network Pharmacy Benefits for growth hormone therapy is limited to \$10,000 per year.

## **Other Important Information about your Outpatient Prescription Drug Benefits**

You are responsible for paying the lower of the applicable Copayment and/or Coinsurance or the retail Network Pharmacy's Usual and Customary Charge, or the lower of the applicable Copayment and/or Coinsurance or the mail order Network Pharmacy's Prescription Drug Cost.

For a single Copayment and/or Coinsurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits. Supply limits apply to Specialty Prescription Drug Products whether obtained at a retail pharmacy or through a mail order pharmacy.

Some Prescription Drug Products or Pharmaceutical Products for which Benefits are described under the Prescription Drug Rider or Certificate are subject to step therapy requirements. This means that in order to receive Benefits for such Prescription Drug Products or Pharmaceutical Products you are required to use a different Prescription Drug Product(s) or Pharmaceutical Product(s) first.

Also note that some Prescription Drug Products require that you obtain prior authorization from us in advance to determine whether the Prescription Drug Product meets the definition of a Covered Health Service and is not Experimental, Investigational or Unproven.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, no Benefit will be paid for that Prescription Drug Product.

You may be required to fill an initial Prescription Drug Product order and obtain one refill through a retail pharmacy prior to using a mail order Network Pharmacy.
