Article 4 - Premium Amount

The amount of premium to be paid on each due date will be the product of total covered Monthly Earnings for all Members then insured multiplied by the premium rate then in effect.

To ensure accurate premium calculations, the Policyholder is responsible for reporting to The Principal, the following information during the stated time periods:

Article 1 - Treatment of Alcohol, Drug or Chemical Abuse, Dependency, or Addiction, a Mental Health Condition or a Special Condition

However, if at the end of that 24 months, the Member is confined in a Hospital or other facility qualified to provide necessary care and treatment for alcohol, drug or chemical abuse, dependency, or addiction, a Mental Health Condition or a Special Condition, then the Benefit Payment Period may be extended to include the time during which the Member remains confined.

Benefits will be payable for the length of the confinement and for up to 60 days following the end of the confinement. If the Member is Hospital confined again during the 60-day period for at least ten consecutive days, benefits will be payable for the length of the second confinement and for up to 60 days following the end of the second confinement.

Section Q - Claim Procedures

Article 1 - Notice of Claim

Written notice must be sent to The Principal by or for a Member who wishes to file claim for benefits under this Group Policy. This notice must be sent within 30 days after the date of loss for which claim is being made. If it is not possible to give proof within 90 days after the Elimination Period, it must be given no later than one year after the time proof is required except in the absence of legal capacity.

Article 2 - Claim Forms

The Principal, when it receives notice of claim, will provide appropriate claim forms for filing proof of Disability. If the forms are not provided within 15 days after The Principal receives notice of claim, the person will be considered to have complied with the requirements of the Group Policy regarding proof of Disability upon submitting, within the time specified below for filing proof of Disability, Written proof covering the occurrence, character, and extent of the loss.

Article 3 - Proof of Disability

Written proof that Disability exists and has been continuous must be sent to The Principal within six months after the end of each period for which the insurer is liable. Proof required includes the date, nature, and extent of loss. Further proof that Disability has not ended must be sent when requested by The Principal. The Principal may request additional information to substantiate loss or require a Signed unaltered authorization to obtain that information from the provider. The Principal reserves the right to determine when these conditions are met. Failure to comply with the request of The Principal could result in declination of the claim. If it is not reasonably possible to give Written proof in the time required, The Principal shall not reduce or deny a claim for this reason if the proof is filed as soon as reasonably possible. In any event, the proof required must be given no later than 1 year from the time specified unless the claimant was legally incapacitated.

For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the Elimination Period has been completed and the appropriate claim form is received by The Principal.

Article 3A - Documentation of Loss

This policy has been updated effective April 1, 2015

The Principal must receive satisfactory Written proof of loss. Until The Principal receives the proof of loss requested, benefits will not be paid. Proof of loss may include:

- a. Any requested claim form including claim forms from the Member or his or her Physician.
- b. Documentation that the Member is under Regular and Appropriate Care by a Physician.
- c. Copies of medical records, test results and/or Physician's progress notes.
- d. Occupation information, such as documentation of work duties and activities. This may include the Member's job description or appointment calendar.
- e. Independent medical examination(s) (see Examinations and Evaluations in Article 13 below).
- f. A Written authorization, signed by the Member, on a form supplied by The Principal, to obtain records and information needed to determine the Member's eligibility for benefits.

Article 3B - Earnings Documentation

The Principal may require proof to determine the Member's Predisability Earnings and Current Earnings. A company representative has the right to examine the Member's financial and business records, including his or her Federal income tax returns and supporting documentation, as often as The Principal may require.

Article 3C - Investigation of Member's Claim

The Principal may conduct an investigation of the Member's claim at any time, which may include a personal interview with a company representative and/or an examination under oath. Benefits may not be payable until The Principal has had a reasonable time to conduct an investigation of the Member's claim and determines benefits are payable.

Any costs involved in submission of proof of loss or earnings documentation are the Member's responsibility to pay, except for costs incurred by The Principal for items c. and e. in Article 3A above or personal interview or financial examination.

Once the Member's claim is approved, no benefits will be continued beyond the end of the period for which the Member has provided The Principal with satisfactory proof of loss. The Principal will require the Member to provide additional documentation of his or her claim, at the Member's expense, at reasonable intervals while the Member is claiming Disability.

This policy has been updated effective April 1, 2015

Article 4 - Payment, Denial, and Review

Time of Payment of Claims: After receiving Written proof of loss, The Principal will pay monthly all benefits then due for Disability. Benefits for any other loss covered by the Group Policy will be paid as soon as The Principal receives proper Written proof.

The Principal will reimburse a claim or portion of a claim for payment within 45 days after receipt of the claim by The Principal. If a claim or a portion of a claim is contested by The Principal, the claimant or the claimant's assignee will be notified in Writing that the claim is contested or denied within 45 days after receipt of the claim by The Principal. The notice that the claim is contested will identify the contested portion of the claim and the reasons for contesting the claim. The Principal, upon receipt of additional information requested from the claimant or the claimant's assignee, will pay or deny the contested claim or portion of the contested claim, within 60 days.

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, The Principal will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed up to 45 days to provide all additional information requested. The Principal is permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to the claimant regarding the extension.

In actual practice, benefits under this Group Policy will be payable sooner, provided The Principal received complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, The Principal will submit a detailed explanation of the basis for its denial.

A claimant may request an appeal of a claim denial by Written request to The Principal within 180 days of receipt of notice of the denial. The Principal will make a full and fair review of the claim. The Principal may require additional information to make the review. The Principal will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because The Principal did not receive the requested additional information, The Principal is permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension. After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means Member.

In administering the benefits provided under this Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

This policy has been updated effective April 1, 2015

Article 5 - Report of Payments from Other Income Sources

When asked, a Member must give The Principal:

- a. a report of all payments from Other Income Sources; and
- b. proof of application for all such income for which the Member and the Member's Dependents are eligible; and
- c. proof that any application for such income has been rejected.

Article 6 - Lump Sum Payments from Other Income Sources

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in monthly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated monthly over the expected life span of the Member. The Principal will determine the expected life span.

Lump Sum Payments under:

- a. a retirement plan will be deemed to be paid in the monthly amount which:
 - (1) is provided by the standard annuity option under the plan as identified by the Policyholder; or
 - (2) is prorated under a standard annuity table over the expected life span of the Member (if the plan does not have a standard annuity option);
- b. a Workers' Compensation Act or other similar law (which includes benefits paid under an award or a settlement) will be deemed to be paid monthly:
 - (1) at the rate stated in the award or settlement; or
 - (2) at the rate paid prior to the lump sum (if no rate is stated in the award or settlement);
or
 - (3) at the maximum rate set by the law (if no rate is stated and the Member did not receive a periodic award).

Article 7 - Application for Social Security Benefits

If it is reasonable that the Member would be entitled to disability benefits under the Federal Social Security Act, The Principal will require that the Member:

This policy has been updated effective April 1, 2015

- a. apply for disability benefits within ten days after receipt of Written notice from The Principal requesting the Member to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from The Principal that the Member has applied for these benefits within the ten-day period; and
- c. request reconsideration of the application for Social Security benefits if the original application is denied, and appeal any denial or reconsideration if an appeal appears reasonable.

Article 8 - Application for Workers' Compensation and Other Disability Coverage Benefits

If it is reasonable that the Member would be entitled to benefits under a Workers' Compensation Act or a similar law and other disability coverage, The Principal will require that the Member:

- a. apply for benefits within ten days after receipt of Written notice from The Principal requesting the Member to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from The Principal that the Member has applied for these benefits within the ten-day period.

Article 9 - Payments for Less Than a Full Month

The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full month will be the monthly benefit divided by 30.

Article 10 - Right to Recover Overpayments

If an overpayment of benefits occurs under this Group Policy, The Principal will have the option to:

- a. reduce or withhold any future benefits The Principal determines to be due, including the Minimum Monthly Benefit; or
- b. recover the overpayment directly from the Member; or
- c. take any other legal action.

Article 11 - Facility of Payment

This policy has been updated effective April 1, 2015

Benefits under this Group Policy will be payable at the end of each month of a Benefit Payment Period, provided complete and proper proof of Disability has been received by The Principal.

The Principal reserves the right to offer a lump sum payment in lieu of continued monthly payments where liability has been established for a Benefit Payment Period if the Member and The Principal agree.

Any unpaid balance that remains after a Benefit Payment Period ceases will be immediately payable.

The Principal will normally pay benefits directly to the Member. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge The Principal to the full extent of those payments.

- a. If payment amounts remain due upon a Member's death, those amounts may, at the option of The Principal, be paid to the Member's Dependent Spouse, child, parent, or estate.
- b. If The Principal believes a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, The Principal may pay whoever has assumed the care and support of the person.

Article 12 - Examinations and Evaluations

The Principal has the right to require a Member to undergo medical evaluations, functional capacity evaluations, vocational evaluations, and/or psychiatric evaluations during the course of a claim. The examinations or evaluations will be performed by a Physician or evaluator The Principal chooses as appropriate for the condition and will be conducted at the time, place and frequency The Principal reasonably requires. The Principal will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend a medical examination or cooperate with the Physician may be cause for suspension or denial of the Member's benefits. Failure to attend an evaluation or to cooperate with the evaluator may also be cause for suspension or denial of the Member's benefits. If the Member fails to attend an examination or an evaluation, any charges incurred for not attending an appointment as scheduled may be his or her responsibility.

Article 13 - Legal Action

Legal action to recover benefits under this Group Policy may not be started earlier than 60 calendar days after required proof of Disability has been filed. Further, no legal action may be started later than the expiration of the applicable statute of limitations following the date proof is required to be filed.
