A person will be eligible for Member Dental Expense Insurance on the first of the Insurance Month coinciding with or next following the date the person completes 60 consecutive days of continuous Active Work as a Member.

If a Member elects to waive coverage under this Group Policy because he or she is covered under group dental expense coverage or coverages provided by the Dependent's employer, the date such coverage terminates because the Dependent is no longer eligible under his/her employer's coverage will be considered the date the Member is eligible to request insurance as described in PART III, Section B of this Group Policy.

The Annual Enrollment Period is generally the one-month period immediately prior to the Policy Anniversary date or another period of time requested by the Policyholder and accepted by The Principal. The Annual Enrollment Period is the period from November 1 through November 30.

The effective date for any such individual requesting insurance during the Annual Enrollment Period will be on December 1 following completion of the Annual Enrollment Period provided premium has been paid for the requested insurance.

A Special Enrollment Period, as described below, will be available for a Member or Dependent if enrollment is made after the first period in which the individual was eligible to enroll.

The Special Enrollment Periods are:

- (1) Loss of Other Coverage: A Special Enrollment Period will apply to a Member or Dependent if all of the following conditions are met:
 - (i) the individual (Member or Dependent) was covered under another group dental expense coverage at the time of his or her initial eligibility, and declined enrollment solely due to the other coverage; and
 - (ii) the other coverage terminated due to loss of eligibility (including loss due to divorce or legal separation, termination of a Domestic Partner relationship, death, termination of employment or reduction in work hours), or, if the other coverage was under COBRA or state continuation provision, due to exhaustion of the continuation); and

Article 2 - Dependent Dental Expense Insurance

Dependent Dental Expense Insurance is available only with respect to Dependents of Members currently insured for Member Dental Expense Insurance. If a Member is eligible for Dependent Dental Expense Insurance, such insurance will be effective under the same terms as set forth for Member Dental Expense Insurance in this Section B, Article 1 except:

- a. A Member will be insured with respect to a new Dependent (other than a newborn child) on the date the Dependent is acquired, if Dependent Dental Expense Insurance is then in force for any other Dependent of the Member.
- b. The Actively at Work requirement will apply only to Member insurance.
- c. If a Member requests insurance for a Domestic Partner, insurance for the Domestic Partner will be in force on the later of:
 - (1) the date insurance would otherwise become effective for a Dependent under the terms of this Group Policy; or
 - (2) the date The Principal approves the Domestic Partner's status as a Dependent.

Article 2A - Dependent Dental Expense Insurance - Automatic Insurance for Newborns, Newly Adopted Children, and Court-Ordered Custody (Including Foster Children) - State Required - Florida

A Member will be automatically insured with respect to a child less than 31 days of age or a newly adopted child or court-ordered custody (including foster child) of any age as described below.

This policy has been updated effective April 1, 2015

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

With respect to a newborn child, coverage will be provided from the moment of birth and such coverage shall also apply to the newborn child of a covered family member.

An adopted child will be considered a Dependent Child from the date of Placement with the Member for the purpose of adoption. Coverage will include the necessary care and treatment of dental conditions existing prior to the date of Placement. With respect to a newborn adopted child, the child will be insured from the moment of birth if a written agreement to adopt was in place prior to the birth and the child is ultimately placed in the home in accordance with Chapter 63, Florida Statutes.

A newborn, newly adopted child, or court-ordered custody (including foster children) will be insured for the same benefits and under the same terms and conditions as applicable to other children.

No premium will be charged for this automatic insurance. However, premium will be charged if insurance is continued beyond the automatic period.

If a request for Dependent Insurance is required, the Member must notify The Principal of the birth of the child (or Placement of an adopted child) within 31 days after the birth (or Placement in the residence of a child adopted by the Member). If timely notice is given, The Principal may not charge an additional premium for coverage of the newborn child for the duration of the notice period (i.e., first 31 days). If timely notice is not given, The Principal may charge an additional premium from the date of birth (or Placement). Coverage for the child may not be denied due to failure to notify The Principal of the birth (or Placement) of the child in a timely manner.

If request for this Dependent's Insurance is not required, The Principal may not deny coverage for such child or retroactively charge the Member an additional premium for the child. However, The Principal may prospectively charge the Member an additional premium for the child if at least 45 days notice of the additional required premium is given.

Article 3 - Benefit Waiting Period (for when the Member requests insurance more than 31 days after (1) the date eligible; or (2) the date the Member elects to terminate insurance)

Other than during an Annual Enrollment Period or a Special Enrollment Period or coverage as required by a QMCSO or NMSN as described in this Section B, Article 1, if the Member requests Member or Dependent insurance more than 31 days after the date the person is eligible under this Group Policy or the Member elects to terminate insurance and more than 31 days later requests to be insured again, benefits payable under this Group Policy will be limited as follows:

- a. During the first 12 months, benefits will be payable only for Dental Care Unit 1 (Preventive Procedures) Covered Charges; and

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

- b. During the second 12 months, benefits will be payable only for Dental Care Unit 1 (Preventative Procedures) Covered Charges and Dental Care Unit 2 (Basic Procedures) Covered Charges.

After insurance has been in force for 24 consecutive months, benefits will be payable for charges incurred for Covered Charges under Dental Care Units 1, 2, and 3.

These Benefit Waiting Period provisions will not apply to Covered Charges incurred for an Accidental Injury that results from an accident that occurred on or after the Member's or Dependent's insurance became effective.

The premium rate charged for insurance under this Benefit Waiting Period provision will be the same as if benefits were not limited.

Except as otherwise provided in PART III, Section C, Dependent Dental Expense

This policy has been updated effective April 1, 2015

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

Insurance may remain in force during any period that Member Dental Expense Insurance is continued.

b. Developmentally Disabled or Physically Handicapped Children

(1) Qualification

Dental Expense Insurance for a child may be continued after the child reaches the maximum age for Dependent Children as defined in PART I of this Group Policy, provided that:

- the child is incapable of self-support as the result of a Developmental Disability or Physical Handicap and became so before reaching the maximum age and is dependent on the Member for primary support; and
- except for age, the child continues to be a Dependent Child as defined in PART I; and
- the child undergoes examination by a Physician when The Principal requests. The Principal will pay for these examinations and will choose the Physician to perform them.

If a claim is denied because such child exceeds the maximum age, the Member must present proof to The Principal of the child's incapacity.

(2) Period of Continuation

Insurance for a Dependent Child who qualifies as set forth above may be continued until the earlier of:

- the date insurance would cease for any reason other than the child's attainment of the maximum age; or

- (i) an insured Domestic Partner (and any Dependent Children) following the Member's:

This policy has been updated effective April 1, 2015

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

- termination of employment for a reason other than gross misconduct; or
- a reduction in work hours.

Reduction in work hours includes, but is not limited to, leave of absence, layoff, continuation due to sickness or injury, or when applicable, retirement.

(Note: In this instance, the Member must elect and become covered under COBRA in order for an insured Domestic Partner to qualify for this group dental continuation); and

- (ii) a Member's former Domestic Partner (and any Dependent Children) following the Member's termination from his or her Domestic Partnership; and
- (iii) a Member's surviving Domestic Partner (and any Dependent Children), following the Member's death; and
- (iv) a Member's Domestic Partner (and any Dependent Children) following the Member's entitlement to Medicare.

(2) Maximum Continuation Period

Following a qualifying event, dental coverage can continue up to the maximum continuation period. The maximum continuation period for an insured Domestic Partner following the Member's termination of employment or reduction in work hours is 18 months from the date of the qualifying event or the date the Member is no longer covered under COBRA, whichever occurs first.

Following the Member's termination of employment or reduction in work hours, a qualified person may request an 11-month extension of this group dental continuation. The maximum group dental continuation will be 29 months from the date of the qualifying event (see Disabled Extension, Section (4)).

When a Member becomes entitled to Medicare before his or her employment terminates or work hours are reduced, the maximum continuation period for the insured Domestic Partner will be the longer of:

- (i) 36 months dating back to the Member's entitlement to Medicare; or
- (ii) 18 months from the date of the qualifying event (Member's termination of employment or reduction in work hours).

The maximum continuation period for a qualified person following a qualifying event described in (1) (ii) through (1) (iv) is 36 months from the date of the qualifying event.

(3) Second Qualifying Events

This policy has been updated effective April 1, 2015

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

If during an 18- month continuation period (or, 29 months for a qualified person on the disabled extension), a second qualifying event described in (1), (ii) through (1), (iv) occurs, the maximum continuation period may be extended for the qualified person up to 36 months. That is, following a second qualifying event, a qualified person may continue for up to a maximum of 36 months dating from the Member's termination of employment or reduction in work hours. The extension is only available if the second qualifying event described in (1), (ii) through (1), (iv), absent the first qualifying event, would result in a loss of coverage for the covered Domestic Partner under this Group Policy.

(4) Disabled Extension

Following a Member's termination of employment or reduction in work hours, a qualified person who has been determined disabled by the Social Security Administration either before or within 60 days after the qualifying event may request an extension of the continued coverage from 18 months to 29 months.

The 11-month extension for a qualified person will end the earlier of (a) 30 days following the date the disabled person is no longer determined by Social Security to be disabled, or (b) the date continuation would normally end as outlined in Section (5) below.

(5) Termination of Continued Coverage

Continued coverage ends the earliest of the following:

- (i) the date the maximum continuation period ends; or
- (ii) the date the qualified person enrolls in Medicare; however, this does not apply to a person who is already enrolled in Medicare on the date he or she elects this group dental continuation or to a person who is on this group dental continuation due to the employer's bankruptcy filing as described in (1), (v); or
- (iii) the end of the last coverage period for which payment was made if payment is not made prior to the expiration of the grace period (See Grace Period, Section (9)); or
- (iv) the date this Group Policy is terminated; or
- (v) the date insurance would otherwise cease under this Group Policy; or
- (vi) the date the qualified person becomes covered by and has satisfied the preexisting exclusion provision of another group dental plan; however, this does not apply to a person who is already covered by the other group dental plan on the date he or she elects this group dental continuation; or
- (vii) the date the Member is no longer covered under COBRA as described in (1), (i).

Note: Persons who, after the date of this group dental continuation election,

(6) Employer/Plan Administrator Notification Requirement

When a covered Domestic Partner has a qualifying event due to the Member's termination of employment, the Member's reduction in work hours, death of the Member, the Member's entitlement to Medicare, the employer must notify the plan administrator within 30 days of the date of the qualifying event. The plan administrator must notify the qualified person of the right to this group dental continuation within 14 days after receiving notice of a qualifying event from the employer.

(7) Qualified Person Notice and Election Requirement

A qualified person must notify the plan administrator in Writing within 60 days after (a) the date of a qualifying event (i.e., Member's termination from his or her Domestic Partnership under the terms of this Group Policy); (b) the date the qualified person would otherwise lose coverage as a result of a qualifying event; or (c) the date the qualified person is first informed of this notice obligation; otherwise the right to this group dental continuation ends. This 60-day notice period applies to initial and second qualifying events.

A qualified person who requests an extension of this group dental continuation due to disability must submit a Written request to the plan administrator before the 18-month group dental continuation period ends and within 60 days after the latest of the following dates: (a) the date of disability determination by the Social Security Administration; (b) the date of the qualifying event; (c) the date the qualified person would otherwise lose coverage as a result of a qualifying event; or (d) the date the qualified person is first informed of this notice obligation; otherwise the right to the disabled extension ends. A qualified person must also notify the plan administrator within 30 days after the date the Social Security Administration determines the qualified person is no longer disabled.

Notification of a qualifying event to the plan administrator must be in Writing and must include the following information: (a) name and identification number of the Member and the qualified person; (b) type and date of initial or second qualifying event; (c) if the notice is for an extension due to disability, a copy of any letters from the Social Security Administration and the Notice of Determination; and (d) the name, address and daytime phone number of the qualified person (or legal representative) that the plan administrator may contact if additional information is needed to determine group dental continuation rights.

Within 14 days after receiving notice of a qualified event from the qualified

A qualified person must make Written election within 60 days after the later of: (a) the date group dental coverage would normally end; or (b) the date of the plan administrator's election notice. The election notice must be returned to the plan administrator within this 60-day period; otherwise the right to elect group dental continuation ends.

To protect group dental continuation rights, the plan administrator must be informed of any address changes for a covered Domestic Partner. Retain copies of any notices sent to the plan administrator.

(8) Monthly Cost

A qualified person electing continued coverage can be required to pay 102% of the cost for the applicable coverage.

(9) Grace Period

A qualified person has 45 days after the initial election to remit the first payment. The first payment must include all payments due when sent. All other payments (except for the first payment) will be timely if made within the Grace Period. "Grace Period" means the first 31-day period following a premium due date. Except for the first payment, a Grace Period of 31 days will be allowed for payment of premium. Continued coverage will remain in effect during the Grace Period provided payment is made prior to the expiration of the Grace Period. If payment is not made prior to the expiration of the Grace Period, continued coverage will terminate at the end of the last coverage period for which payment was made.

(10) Policy Changes

Continued coverage will be subject to the same benefits and rate changes as this Group Policy.

Article 3 - Federal Required Continuation

a. Consolidated Omnibus Budget Reconciliation Act (COBRA)

COBRA applies to any employer (except the federal government and religious organizations) that:

- (1) maintains group dental coverage; and
- (2) normally employed 20 or more employees on a typical business day during the preceding Calendar Year. For this purpose, "employee" means full-time employees and full-time equivalent for part-time employees.

Federal law requires that certain group health plans allow qualified persons who would otherwise lose coverage under this Group Policy as a result of a qualifying event, to elect to continue group coverage under this Group Policy. If coverage under this Group Policy is continued under Article 1 or Article 2, above, the continuation coverage provided under COBRA will run concurrently with such continuation provisions.

A full description of the COBRA continuation provisions is included in the administration material provided to the Policyholder and in the booklet-certificate.

Note: COBRA Continuation is not available to Domestic Partners or to a Domestic Partner's Dependent Child.

b. Family and Medical Leave Act (FMLA)

Federal law requires that Eligible Employees be provided a continuation period in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA).

This is a general summary of the FMLA and how it affects this Group Policy. A full description of the FMLA continuation provisions is included in the administration material provided to the Policyholder.

(1) FMLA and Other Continuation Provisions

These FMLA continuation provisions:

- are in addition to any other continuation provisions described in this Group Policy, if any; and

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

Group Policy for sickness, injury, layoff, or approved leave of absence, if any.

(2) Eligible Employer

Eligible Employer means any employer who is engaged in commerce or in any industry or activity affecting commerce who employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the current or preceding Calendar Year.

(3) Eligible Employee

Eligible Employee means an employee who has worked for the Eligible Employer:

- for at least 12 months; and
- for at least 1,250 hours during the year preceding the start of the leave; and
- at a worksite where the Eligible Employer employs at least 50 employees within a 75-mile radius.

For this purpose, "employs" has the meaning provided by the Federal Family and Medical Leave Act (FMLA).

(4) Mandated Unpaid Leave

Eligible Employers are required to allow 12 workweeks of unpaid leave during any 12-month period to Eligible Employees for one or more of the following reasons:

- the birth of a child of an Eligible Employee and in order to care for the child;
- the placement of a child with the Eligible Employee for adoption or foster care;
- to care (physical or psychological care) for the spouse, child, or parent of the Eligible Employee, if they have a "serious health condition";
- a "serious health condition" that makes the Eligible Employee unable to perform the functions of his or her job; or

released under conditions other than dishonorable at any time during the five-year period prior to the first date an employee takes FMLA leave.

Eligible Employers are required to allow 15 days of unpaid leave during any 12-month period to eligible employees to spend time with a military member on "rest and recuperation" leave.

(5) Reinstatement

An Eligible Employee's terminated insurance may be reinstated in accordance with the provisions of the FMLA, subject to the Actively at Work provisions described in PART III, Section B.

c. Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA)

Federal law requires that if a Member's insurance would otherwise end because he or she enters into active military duty or inactive military duty for training, the Member may elect to continue insurance (including Dependents insurance) in accordance with the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Such continued insurance will terminate on the earliest of:

(1) for a Member and his or her Dependents:

- the date this Group Policy is terminated; or
- the end of the premium period for which premium is paid if the Member fails to make timely payment of a required premium; or
- the date 24 months after the date the Member enters active military duty; or
- the date after the day in which the Member fails to return to Active Work or apply for reemployment with the Policyholder.

(2) for a Member's Dependents:

- the date Dependent Dental Expense Insurance would otherwise cease as provided in PART III, Section C; or
- the end of any Insurance Month desired, if requested by the Member before that date.

Continuation provisions described in this Group Policy for sickness, injury, layoff, or approved leave of absence, if any, may apply. These continuation provisions, however, will terminate on the end of the Insurance Month in which the Member is covered under the USERRA continuation provision. If the Member qualifies for USERRA or COBRA, the election of one means the rejection of the other.

This policy has been updated effective April 1, 2015

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

Note: USERRA Continuation is not available to Domestic Partners or to a Domestic Partner's Dependent Child.

The reinstatement time period, as provided in this PART III, Section E, may be extended for an approved leave of absence taken in accordance with the provisions of the federal law regarding USERRA. The Actively at Work provision, described in PART III, Section B, will not apply to the reinstated insurance.

This is a general summary of the USERRA and how it affects this Group Policy. A full description of the USERRA continuation provisions is included in the administration material provided to the Policyholder.

- a. will not be considered an interruption of continuous coverage; and

Section C - Claim Procedures

Article 1 - Notice of Claim

Written notice must be sent to The Principal by or for a Member or Dependent who wishes to file claim for benefits under this Group Policy. This notice must be sent within 20 calendar days after the date of loss. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Article 2 - Claim Forms

The Principal, when it receives notice of claim, will provide appropriate claim forms for filing proof of loss. If the forms are not provided within 15 calendar days after The Principal receives notice of claim, the person will be considered to have complied with the requirements of the Group Policy regarding proof of loss upon submitting, within the time specified below for filing proof of loss, Written proof covering the occurrence, character, and extent of the loss.

Article 3 - Proof of Loss

Written proof of loss must be sent to The Principal within 90 days after the date of the loss or when reasonably possible. For purposes of satisfying the claim processing requirements, receipt of claim will be considered to be met when The Principal receives proof of loss. Proof of loss includes the patient's name, Member's name (if different from the patient's name), provider of services, dates of service, diagnosis, description of Treatment or Service provided and the extent of the loss. The Principal may request additional information to substantiate loss or require a Signed unaltered authorization to obtain that information from the provider. Failure to comply with The Principal's request could result in declination of the claim. The Principal may also require x-rays, dental charts, and other evidence needed to determine the dental condition treated and the services provided.

If it is not reasonably possible to give Written proof in the time required, The Principal shall not reduce or deny a claim for this reason if the proof is filed as soon as reasonably possible. In any event, the proof required must be given no later than one year from the time specified unless the claimant was legally incapacitated.

Article 4 - Payment, Denial, and Review

The Employee Retirement Income Security Act (ERISA) permits up to 30 calendar days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

information, The Principal will send a Written explanation prior to the expiration of the 30 calendar days. If The Principal does not deny the claim and requests additional information to complete the review, the claimant is then allowed up to 45 calendar days to provide all additional information requested. The Principal will render a decision within 15 calendar days of either receiving the necessary information or upon the expiration of 45 calendar days if no additional information is received.

In actual practice, benefits under this Group Policy may be payable sooner, provided The Principal receives complete and proper proof of loss. If a claim is not payable or cannot be processed, The Principal will submit a detailed explanation of the basis for its denial.

In addition, if a claim or a portion of a claim is contested by The Principal, the Member or Dependent or the Member's assignees will be notified, in Writing within 45 days after receipt of the claim, that the claim is contested or denied. The notice that a claim is contested will identify the contested portion of the claim and the reason for contesting the claim. Upon receipt of any requested additional information from the Member or Dependent or the Member's assignees, The Principal will pay or deny the contested claim or portion of the contested claim within 60 days.

A claimant may request an appeal of a claim denial by Written request to The Principal within 180 calendar days of receipt of the notice of denial. The Principal will make a full and fair review of the claim. The Principal may require additional information to make the review. The Principal will notify the claimant in Writing of the appeal decision within 60 calendar days of receiving the appeal request. The appeal review must be completed before filing a civil action or pursuing any other legal remedies.

For purposes of this section, "claimant" means Member or Dependent.

Article 5 - Dental Treatment Plan

The Principal encourages the use of predeterminations to determine the extent of coverage for a proposed course of treatment. A Dental Treatment Plan may be filed with The Principal before treatment begins. Upon receipt, The Principal will provide a Written response indicating the benefits that may be payable for the proposed treatment. The Principal suggests predetermination of benefits for the following non-emergency types of treatments: inlays, onlays, single crowns, prosthetics, periodontics and oral surgery.

The filing of a Dental Treatment Plan is intended to help avoid any misunderstanding between the Dentist, the insured, and The Principal as to how much will be paid for dental work. A Dental Treatment Plan is not a guarantee of what The Principal will pay. It informs the insured person and the Dentist, in advance, what The Principal will pay for a covered dental service named in the Dental Treatment Plan. If The Principal does not agree with a Dental Treatment Plan, The Principal has the right to base payments on treatment suited to the covered person's condition by accepted standards of dental practice.

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

Article 6 - Facility of Payment

Benefits under this Group Policy will be payable immediately after The Principal receives complete and proper proof of loss.

The Principal will normally pay all benefits to the Member. However, if the claimed benefits are for dental care provided for a Dependent, The Principal may make payment to the Dependent. Also, in the special instances listed below, payment will be as indicated. All payments so made will discharge The Principal to the full extent of those payments.

- a. If payment amounts remain due upon a Member's death, those amounts may, at The Principal's option, be paid to the Member's estate, spouse, Domestic Partner, child, parent, or provider of dental services.
- b. If The Principal believes a person is not legally able to give a valid receipt for a benefit payment and no guardian has been appointed, The Principal may pay whoever has assumed the care and support of the person.
- c. Benefits payable to a PPO Provider will be paid directly to the PPO Provider on behalf of the Member or Dependent.

Note: When benefits under this Group Policy are payable for Treatment or Services received from a foreign provider, the claim must be filed in English and requested in American currency amounts. Such claims will be payable for Covered Charges for Treatment or Services but only to the extent that the actual cost charged does not exceed Prevailing Charges. Benefits will be paid directly to the Member. No assignments will be made to foreign providers.

Article 7 - Recoding of Procedures

When a claim contains one or more procedure codes with the same date of service, The Principal may review the claim to determine whether it contains, among other things, coding irregularities (including duplicative or combined codes), coding conflicts or coding errors. The Principal will base such review on generally recognized and authoritative coding resources, including but not limited to: Current Dental Terminology (CDT).

If The Principal determines, in its own discretion, that the claim may be more appropriately coded using the same or different codes, the claim will be recoded and processed accordingly to determine the allowable amount and extent of benefits.

Article 8 - Dental Examinations

The Principal may have the person whose loss is the basis for claim examined by a Dentist.

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

The Principal will pay for these examinations and will choose the Dentist to perform them.

Article 9 - Legal Action

Legal action to recover benefits under this Group Policy may not be started earlier than 60 calendar days after required proof of loss has been filed and before the appeal procedures have been exhausted. Further, no legal action may be started later than the expiration of the applicable statute of limitations following the date proof is required to be filed.

Article 10 - Time Limits

Any time limit listed in this section will be adjusted as required by law.

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

Section C (1) - Replacement of a Prior Plan

Article 1 - Applicability

When insurance under this Group Policy replaces coverage under a Prior Plan, this section will apply to those Members and Dependents who:

- a. are eligible and enrolled under this Group Policy on its Date of Issue; and
- b. were covered under the Prior Plan on the date of its termination.

This section will also apply to any child whose coverage was being continued under the Prior Plan's handicapped children provisions.

Article 2 - Benefits Payable

Benefits may be payable under this section when benefits under this Group Policy would otherwise be denied solely because of the Actively at Work provision, provided that:

- a. benefits would have been paid under the Prior Plan had it remained in force; and
- b. benefits are not paid under the Prior Plan due to its termination.

The benefits payable, if any, under this section will be the lesser of the benefits denied under this Group Policy or the benefits that would have been paid by the Prior Plan had it remained in force.

In no event will benefits be paid for any Treatment or Service:

- a. received before the Date of Issue of this Group Policy; or
- b. for which benefits are paid under the Prior Plan; or
- c. for which benefits would have been paid under the Prior Plan (including that plan's extended benefit provision) in the absence of this section.

When insurance becomes effective for a Member or a Dependent under this section, the provisions of this section will apply to such person until the earlier of:

- a. the date the Member returns to Active Work; or
- b. the date insurance would otherwise cease as provided in PART III, Section C.

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

Article 3 - Deductible Credit

Charges for Treatment or Service received by a Member or Dependent while covered under a Prior Plan may be applied to satisfy the Dental Care Units 2 and 3 Deductible Amount(s) for the Calendar Year in which this Group Policy became effective, provided the charges are limited to those that:

- a. would be Covered Charges under Dental Care Units 2 and 3 of this Group Policy; and
- b. were not paid under the Prior Plan; and
- c. were for Treatment or Service received during the Calendar Year in which this Group Policy became effective; and
- d. would have counted toward satisfaction of the Prior Plan's Deductible Amount.

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

Section D - Coordination with Other Benefits

Article 1 - Purpose

The intent of this section is to provide that the sum of benefits paid under this Group Policy plus benefits paid under all other Plans will not exceed the lesser of the financial liability of the Member or Dependent or the Prevailing Charge of The Principal for a Treatment or Service.

Article 2 - Definitions

As used in this section, the terms listed below will mean:

a. Plan

Any dental expense benefits provided under:

- (1) any insured or noninsured group, service, prepayment, or other program arranged through an employer, trustee, union, or association; and
- (2) any program required or established by state or Federal law (including Medicare Parts A and B); and
- (3) any program sponsored by or arranged through a school or other educational agency; and
- (4) the first-party medical expense provisions of any automobile policy issued under a no-fault insurance statute and traditional fault-type contracts.

The term Plan will not include benefits provided under a student accident policy, an indemnity-type policy, an excess insurance policy (as defined in the Florida statutes), a policy with coverage limited to specified sickness or accidents, or a Medicare supplement policy, nor will the term Plan include benefits provided under a state medical assistance program where eligibility is based on financial need.

Also, the term Plan will apply separately to those parts of any program that contain provisions for coordination of benefits with other Plans and separately to those parts of any program which do not contain such provisions.

b. Primary Plan/Secondary Plan

The order of benefit determination rules determine whether This Plan is a "Primary Plan" or a "Secondary Plan" when compared to another Plan covering the person.

When this Plan is Primary, its benefits are determined before those of any other Plan

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

and without considering any other Plan's benefits. When this Plan is Secondary, its benefits are determined after those of another Plan and may be reduced because of the Primary Plan's benefits.

c. Allowable Expense

A dental care service or expense, including Deductibles, coinsurance, and Copayments, if any, that is covered at least in part by any of the Plans covering the person for whom benefits are claimed. When a Plan provides benefits in the form of services (for example a PLHSO or DHMO), the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense or service that is not covered by any of the plans is not an allowable expense. The following are examples of expenses or services that are not allowable expenses:

- (1) If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees, any amount in excess of the highest of the usual and customary fees for a specific benefit is not an Allowable Expense.
- (2) The amount a benefit is reduced by the Primary Plan because a covered person does not comply with the Plan provisions. Example of this provision is preferred provider arrangements.

d. Claim Determination Period

The part of a Calendar Year during which a Member or Dependent would receive benefit payments under this Group Policy if this section were not in force.

Article 3 - Effect on Benefits

Benefits otherwise payable under this Group Policy for Allowable Expenses during a Claim Determination Period may be reduced if:

- a. benefits are payable under any other Plan for the same Allowable Expenses; and
- b. the rules listed in Article 4 below provide that benefits payable under the other Plan are to be determined before the benefits payable under this Group Policy.

The reduction will be the amount needed to provide that the sum of payments under this Group Policy plus benefits payable under the other Plan(s) is not more than the total of Allowable Expenses. Each benefit that would be payable in the absence of this section will be reduced proportionately. Any such reduced amount will be charged against any applicable benefit limit of this Plan.

For this purpose, benefits payable under other Plans will include the benefits that would have been paid had claim been made for them. Also, for any person covered by Medicare Part A,

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

benefits payable will include benefits provided by Medicare Part B whether or not the person is covered under that Part B.

Article 4 - Order of Benefit Determination

Except as described in Article 5 below, the benefits payable of a Plan that does not have a coordination of benefits provision substantially similar to the provision described in this section will be determined before the benefits payable of a Plan that does have such a provision. In all other instances, the order of determination will be:

- a. Nondependent/Dependent. The benefits of a Plan which covers the person for whom benefits are claimed as an employee, Member, or subscriber (that is, other than as a Dependent) are determined before the benefits of a Plan which covers the person as a Dependent. Exception: If the person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:

- (1) secondary to the Plan covering the person as a Dependent; and
- (2) primary to the Plan covering the person as other than a Dependent (e.g., a retired employee);

then the benefits of the Plan covering the person as a Dependent are determined before those of the Plan covering that person as other than a Dependent.

- b. Dependent Child--Parents Not Separated or Divorced. Except as stated in paragraph c. below, when this Group Policy and another Plan cover the same child as a Dependent of different persons called "parents," the benefits of the Plan of the parent whose birthday falls earlier in a Calendar Year are determined before those of the Plan of the parent whose birthday falls later in that year; but if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if another Plan does not have the rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

- c. Dependent Child--Separated or Divorced Parents. If two or more Plans cover a Dependent Child of divorced or separated parents, benefits for the Dependent Child are determined in this order:

- (1) first, the Plan of the parent with custody of the Dependent Child;
- (2) then, the Plan of the spouse of the parent with custody of the Dependent Child; and
- (3) finally, the Plan of the parent not having custody of the Dependent Child.

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the Dependent Child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

- d. Joint Custody. If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the Dependent Child, the Plans covering the Dependent Child shall follow the order of benefit determination rules for Dependent Children of parents who are not separated or divorced.
- e. Active/Inactive Employee. The benefits of a Plan which covers the person for whom benefits are claimed as an employee who is neither laid off nor retired, or as that employee's Dependent, are determined before the benefits of a Plan which covers that person as a laid-off or retired employee or as that employee's Dependent. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will not apply.
- f. Continuation of Coverage. If a person for whom coverage is provided under a right of continuation according to Federal or state law is also covered under another Plan, the following will be the order of benefit determination:
 - (1) first, the benefits of a Plan covering the person as an employee, Member or subscriber (or as that person's Dependent);
 - (2) second, the benefits under the continuation coverage.If the other Plan does not have the rule described above, and if, as a result, the Plans do not agree on the order of benefits, this rule will not apply.
- g. Longer/Shorter Length of Coverage. If none of the above rules determine the order of benefits, the benefits of the Plan which covered the person for whom benefits are claimed longer are determined before those of the Plan which covered that person for the shorter time.

Article 5 - Medicare Exception

Unless otherwise required by Federal law, benefits payable under Medicare will be determined before the benefits payable under this Group Policy.

Article 6 - Exchange of Information

This policy has been updated effective April 1, 2015

PART IV - BENEFITS

Any person who claims benefits under this Group Policy must, upon request, provide all information The Principal believes is needed to coordinate benefits as described in this section.

In addition, all information The Principal believes is needed to coordinate benefits may be exchanged with other companies, organizations, or persons.

Article 7 - Facility of Payment

The Principal may reimburse any other Plan if:

- a. benefits were paid by that other Plan; but
- b. should have been paid under this Group Policy in accordance with this section.

In such instances, the reimbursement amounts will be considered benefits paid under this Group Policy and, to the extent of those amounts, will discharge The Principal from liability.

Article 8 - Right of Recovery

If, in accordance with this section, it is determined that benefits paid under this Group Policy should have been paid by any other Plan, The Principal will have the right to recover those payments from:

- a. the person to or for whom the benefits were paid; and/or
- b. the other companies or organizations liable for the benefit payments.
